ANNOUNCEMENT

Lewisham Parent and Carer's Forum

are delighted to announce some exciting news

We have received funding from CITY BRIDGE TRUST to support young people aged 16 to 25 with additional needs and disabilities towards independence.

We have received funding for a new project for 3 years, to support 20 young people each year for 1 year in total.

We have employed two specialist transition workers who will be working 1 day a week each to support young people for the duration with any issues relating to transitions support and help with benefits and finances.

We are currently working on our eligibility criteria, to fit in with the requirements of the pilot and are looking to support young people, aged 16-25 years that have limited access to opportunities.

Priority will be given to young people without EHCPs or social care support, who are current members of Lewisham Parent and Carer's Forum.

The young person will need to be able to travel independently to Lewisham and to be able to fill out their own application form. If your young person is interested, please email us at info@lewishamparentcarer.org.uk

We will send out the application form and advert in the next few weeks.
