Shaw Trust and Transport for London will be supporting 24 young people into employment. Open to all with a learning disability or who are neurodiverse.

Placements last for 12 months, and each intern will complete a mixture of three virtual and face-to face placements, with the support of a tutor, job coach and TFL.

Get hands on job experience, learn new skills, build confidence, and even gain a qualification! 70% of our supported interns moved into paid employment at the end of their internship. Most importantly, we will make every day enjoyable, challenging, and fulfilling.

At Shaw Trust we believe everyone has the right to live a decent and dignified life and an opportunity for rewarding work. We are a social purpose organisation challenging inequality and breaking down barriers to enable social mobility.
