

PARENT CARER SUPPORT SURVEY

Dear Parents and Carers

We have some funding available which we need to use by 31st March 2022.

We have put together a survey to see what kind of support you feel you need at this time.

Please do complete the survey as soon as you can and we will arrange a few events for you in March.

There is also the opportunity to attend a workshop with the local authority on the new SEND Strategy. Please let us know if you are interested in attending so that you may share your views.

Here is the link to the SURVEY below
